Eleanor Audrey Bodner

December 3rd, 1945 – December 15th, 2020

Eleanor Audrey Bodner (Butler), of Bremerton Washington passed away on December 15th, 2020 at the age of 75. She was born on December 3rd, 1945 in Plainfield New Jersey. She was preceded in death by her late husband A. Craig Bodner. Eleanor is survived by her 3 children, Patrick Rhoads, Shannon Moseley, and Samantha Abrego. She was a proud grandmother of 8 grandchildren.

Eleanor was a homemaker when her children were young and later worked as an accountant for the majority of her career. Prior to becoming an accountant, she was a counselor and advocate for domestic violence victims, which was very meaningful to her. After a long career as an accountant, she worked as a property manager. In her spare time, she was a passionate artist. Her acrylic paintings were beautiful, but she did not limit her art to a canvas. She decorated everything she set her eye to and brought countless smiles to those that received her pieces. Eleanor was also a devout Christian. She loved studying the Bible and took theology classes up unto the time of her death. She supported and learned from Ligonier Ministries founded by R.C. Sproul whom she was extremely fond of. She also loved nature and animals had a strange propensity to approach her even in the wild.

Eleanor had a childlike wonder and curiosity that followed her well into old age. She always said she was a child at heart and never tired of learning new things. Certainly, she is now in awe and wonder in the presence of the Lord. Though she will be missed greatly, we look forward to reuniting with her in Heaven.
