

Kenneth Rugger

November 28, 2019

My loving brother was riddled with health problems and yesterday passed away. He was in excruciating pain due to a very rare cancer, plasma cell leukemia. 1 in a million get this. By the time it is discovered it is too late. He is no longer in pain and I pray he is in Heaven with our Mom and Dad.

From a FaceBook post by Margaret (Peggy Rugger) Dunmire, CHS class of 1964
